

ABOUT US

Established in 1960, **The Embroiderers Guild, Victoria**, is a not-for-profit organisation with over 1400 members throughout Victoria, including 10 country branches.

Our aims are to promote, teach and enjoy the art and skills of embroidery.

The Embroiderers Guild is open to all lovers of embroidery and textile art whether beginners or experts.

Embroidery House, the Guild's home in Malvern, provides a friendly centre for all members. It has a spacious gallery and dedicated classrooms. It also houses an extensive library and our significant collections of embroideries, lace and historic needlework tools.

Meetings, lectures, classes, exhibitions, monthly displays and guidance groups are also held at Embroidery House.

Embroidery House is open seven days a week. Visitors and members are always welcome.
