La Draguerre	9-11 Rue de Jour, 75001 Paris		March Saint Pierres - the Paris fabric area in Montmartre, just below Sacre Coeur is a revelation. A whole district devoted to fabric, tassels, ribbons, bias binding and buttons. And it's been this way for many years. In 1882 Emile Zola published <i>Au Bonheur des Dames</i> (The Lady's Paradise) telling the tale of the rise of a fabric empire in this part of Paris.
